

## Short Bio – Theoneste Bizimana

I am Theoneste Bizimana, the coordinator of HROC (Healing and Rebuilding Our Communities) in Rwanda. I am a member of the Religious Society of Friends. My Yearly Meeting is Rwanda YM and my Monthly Meeting is Kagarama in Kigali. I am 27 years old and I am still single. I live with my brother and one adopted young boy.

I have been working with HROC Rwanda since 2003 and I like this program because it has helped me to heal from trauma. I am also an AVP facilitator and the co-writer of *After the Guns Have Stopped: Searching for Reconciliation in Burundi*.
